Dear Mr. Royce:

We have received and reviewed your amended notice and we have no problems with the proposed activities. Reclamation will probably not be required; however, if a determination is made at a later date that rehabilitation is necessary, you will then be notified of any required reclamation procedures.

If you have any questions, feel free to contact Neil Simmons of my staff at 801-636-4584.

Sincerely,

PENELOPE J. SMALLEY
